Wow! What a great month for hiring some great people. We thank each of you for all you have done and continue to do in helping Valco to grow and continually improve. Your many contributions and your many years of being part of the Valco Team are greatly appreciated. Here's hoping for many more good years of working together.

We want to congratulate and recognize Madeline Asper on her recent graduation from the Career Technology Center. Madeline's home school was Springfield High School, from which she also graduated from on May 18. Mattie majored in welding while at CTC. Madeline has been working part time with us during her senior year while attending CTC and will now be working on a full time basis. We are glad to have her as part of the Team.

You know summer has finally arrived, regardless of the weather we have been having, when the Springfield

Arts Council kicks off their 2019 Summer Arts Festival Schedule. This year's six weeks of FREE entertainment will begin on June 13th with Springfield's own Griffin House as the opening act and will end on July 20th with a Rolling Stones tribute. All performances begin at 8:00 in Veterans Park rain or shine. All you need to do is bring a lawn chair or blanket and enjoy the music, the performances, the large crowds of people, and the varied entertainment. You can get additional information and a complete performance schedule with all the details about the programs being presented by going to www.springfieldartscouncil.org.

We would like to welcome Mitch Egger, who will be working with us as a summer intern. Mitch is a graduate of Springfield High School and is a senior electrical engineering student at the University of Cincinnati. He will be receiving his Bachelor of Science degree at the end of the fall semester. We are pleased to have Mitch with us for the next several months.
