PRESSing NEWS

October 2016

PRODUCT OF THE MONTH

The product feature of the month is the DCE Environmental Control Dust Collector, 100% fabricated by Valco Industries and assembled and sold by Tinker Omega. The DCE Environmental Control Dust Collector is designed to filter hot particles out of the air and provide fresh clean air back into the working environment. At 17 ft. tall x 7 1/2 ft. square, Valco was honored to receive such a big project from Tinker Omega and everyone pitched in to make it happen on time.

Valco is proud to be a supplier to Tinker Omega.

Thoughts on Using Your Health Care Providers More Economically

- Research emergency options ahead of time to see which nearby hospitals and urgent care centers are covered as in network providers. Use emergency rooms as a last resort and only in a real emergency. For basic needs urgent care centers are always significantly less expensive. The average cost nationwide of an emergency room visit is \$1,553, more than ten times an urgent care center visit.
- Save money on medical tests. The same blood test in Denver ranges from \$10 to \$165. Ask your doctor if you can use an independent lab which typically charges less than hospitals. Take the time and make the effort to become a smart health care consumer.

Congratulations to Eddie Leventhal on recently completing his annual birthday ride with his biking group the "Old Spokes." This year the Old Spokes rode 71 miles on October 2, riding from Home Road to Corwin and back, mostly on the wonderful bikes trails we have available in our area. This is an annual event that the group has been doing for 10 years, but are starting to wonder how many more years they will be able to continue. It sure would be a lot easier if they were able to do one mile less each year rather than one more!

HAPPY BIRTHDAY

- Lonnie Cook November 2nd
- Dan Woodruff November 4th
- Jimmy Hall November 14th
- Jim Neidhardt November 19th
- Byant Wells November 26th

We hope you each have a great day on your special day and a year of good health, lots of laughs and much personal and professional success. Here's hoping for many more birthdays in the years ahead.

Years of Service

- Micah Hanks . . Nov. 6 . . 10 Years!
- Frankie Knight . . . Nov. 17. . 2 Years

We thank Micah and Frankie for being part of the Valco Team and for all they have done for Valco and our many customers. We appreciate their many efforts that have helped Valco's growth and improvement. We look forward to working with them in the years ahead.

With Sympathy

We want to extend our sympathies to Jerry Stultz and his family on the recent passing (October 5th) of his mother-in-law. Our thoughts have been with Jerry and family during this difficult time in their lives.

Reminders

- *Election Day will be Tuesday, November 8th.* Last Call....even though it is nearly impossible not to realize that November 8, 2016 is election-day and a day that will have significant implications for all of us, you will still need to go out and vote! You will have the opportunity to make yourself heard by voting on November 8th. Needless to say you must be registered to vote and this is definitely not the year to remain on the sidelines. Early voting and absentee voting started on Wednesday, October 12th. Polls will be open from 6:30 a.m. till 7:30 p.m. on November 8th so there is no reason not to vote. You can learn more by going to <http://electionsonthe.net/oh/clark/> or calling the Board of Elections at 937-521-2120. Be sure to make yourself heard in 2016. **Just Do It!**

- A last reminder about *moving your clocks BACK one hour on Sunday, November 6th* at 2:00 a.m. This seems later than we normally do this major event so you may want to write yourself a reminder note or just arrive an hour early Sunday morning.

- Turkey Day is on the way! We will be celebrating the *Thanksgiving Holiday on Thursday, November 24th.* This will be a paid holiday for all full time associates who have been part of the Valco Team for at least 90 days. We will also be closed on Friday, November 25th so everyone can have a long and enjoyable holiday weekend. This will also allow us to all be relaxed while we watch Ohio State triumph over Michigan again. Go Bucks!! Normal production hours will resume on Monday, November 28th.

- We will be closed on *Monday, December 26 and will be taking that day as our paid Christmas Holiday* since Christmas falls on a Sunday this year. We will also be closed Monday, January 2nd as our paid New Year's Holiday. We will have more details as we get closer to the actual holidays, but wanted to give you as much advanced notice as we could so you can plan accordingly.
